

PARISH OF ASCENSION

OFFICE OF PLANNING AND DEVELOPMENT
BUILDING DEPARTMENT

NOTICE TO BUILDERS

Are you building a home or business in a subdivision or on a property with a building line or drainage servitude?

Before you build, be sure to check your subdivision restrictions to insure that you are not building outside the allowable building lines. Check with the Department of Public Works Drainage to receive proper distances on drainage servitudes at (225) 621-5730.

Thank you for your cooperation!

EFFECTIVE JANUARY 12, 1998

The Ascension Parish Building Department will require a stamped set of plans by a structural engineer on any structure that will be built more than three feet above ground.

NO EXCEPTIONS!

Thank you for your cooperation in this matter.
