REQUIRED INFORMATION FOR DRAINAGE

Below is the minimum amount of information that we require in order to conduct our review:

1. Existing drainage area map with runoff rates
2. Existing topographic survey
3. Grading plan with:
 - a. Proposed elevations for the parking lot, grading, ditches, subsurface pipes, etc.
 - b. There should be more than enough proposed elevations to clearly depict the highs, the lows and intermediate elevations of the parking lot.
 - c. Grading plan shall also show existing and proposed servitudes.
 - d. Show proposed run-off rates leaving the site.
4. Calculations to support proposed sub-surface pipe sizes.
