FOR IMMEDIATE RELEASE: January 15, 2015

OAK GROVE – Ascension Parish President Tommy Martinez announced today parish officials will hold a ribbon cutting for the newly remodeled Oak Grove Community Center on Tuesday, Jan. 20 at 10 a.m. The center is located at the intersection of La. 42 and La. 73, next to the parish’s spray park.

“We’re excited that the work is complete,” said President Martinez. “With the renovation improvements, parish residents will be able to enjoy larger events.”

Construction on the existing 1,550-square-foot building included the addition of a 426-square-foot event room and storage closet, increasing the overall size of the center by 580 square feet.

“The renovation and expansion of the Oak Grove Community Center completes the vision that I had eight years ago for transforming this corner from an eyesore into an asset to our community,” said Parish Councilman Chris Loar. “I want to thank my fellow parish colleagues for their support of this over the years, and appreciate the assistance from our legislative delegation whose securing of capital outlay funds was instrumental in completing this phase of the project.”

Since the park improvements, Loar said there has been a high demand for the building to hold birthday parties, receptions, and meetings.

CUTLINE – The newly remodeled Oak Grove Community Center is shown with an inset picture (bottom right) of the center before construction. Parish officials will hold a ribbon cutting for the building on Tuesday, Jan. 20 at 10 a.m.
