Prairieville Intersection Closure Increased For Extensive Work

FOR IMMEDIATE RELEASE: February 14, 2014**

GONZALES – Ascension Parish President Tommy Martinez announced Friday the Prairieville intersection of Parker Road and LA 929 will remain closed through Wednesday, Feb. 19, 2014 so pipe line workers can complete repairs at that location.

Mike Fleniken with Marathon Pipe Line, LLC said the closure was extended because workers discovered more extensive repairs were needed on a 20-inch pipe line near the intersection.

“We are going to have crews out there working through the weekend,” Flenikan said.

The intersection was closed on Feb. 10 and previously scheduled to reopen on Feb. 13 but that closure was extended to Feb. 15 due to weather conditions.

Alternative routes include north/south routes of LA 930 and LA 44, and east/west routes of LA 42 and Causey Road.
