Boating Access Through Marvin Braud Pump Station to Blind River Closed

Contact: Lester Kenyon (225) 450-1138
FOR IMMEDIATE RELEASE: June 5, 2014

GONZALES – Ascension Parish President Tommy Martinez announced this morning boating access to Blind River through a gate at the Marvin Braud Pump Station is closed until further notice due to elevated water levels.

Officials with the parish's drainage department said water levels from last week's major rain event continue to fall at the station, but are not low enough to open boating access from Sevario Canal, New River Canal, Bayou Francois and Smith Bayou to Blind River.

Officials said a news release will be sent out when boating access at the pump station is opened.
