FOR IMMEDIATE RELEASE: December 10, 2013

GONZALES – Ascension Parish engineers announced a portion of Roddy Road from La. 621 to La. 931 is closed to through traffic until further notice due to road construction at that location. Work is projected to be completed by Dec. 27.

Officials said local residents' vehicles and emergency vehicles will be allowed to travel through that location while school buses and school vehicles must enter from the La. 621 side of Roddy Road.

Contract construction crews began milling asphalt and will put down a limestone base until the final asphalt is applied at a future date.
