The information contained in this official map was compiled from a variety of sources including legal descriptions from acts of property transfer, aerial photographs, assessor records, survey maps, parish ordinances and an assortment of other data sets. The information is accurate to the best of the Parish's knowledge and belief but the accuracy is not guaranteed nor should it be relied upon for any purpose other than as a reference map for zoning purposes. This map should not be used for survey, flood zone determinations, property descriptions, or any purpose except zoning.
