Questions

1. Ascension Parish is a current client for time keeping. Can Kronos respond to just the timekeeping portion of the RFP?
2. Can you send me attachments A,B,C?
3. Are you guys looking for best of breed software or just one single solution for all requirements?

Answers

1. We are looking for an all in compassing solution. If Kronos wishes to partner with an ERP vendor then that is fine. Otherwise we will not consider a timekeeping only solution.
2. Attachments A and B are included in the RFP document. C and D are available on the purchasing bid website. <http://www.ascensionparish.net/index.php/departments/m-z/purchasing/bid-information>
3. Single solution is preferred.
