 PRESIDENT'S OFFICE

Case No: MICS 30498V  
 Community: Ascension Parish, Louisiana  
 Community No.: 220013  
 Effective Date: August 17, 2007  
 LOMC-VALID

Dear President Hughes:

This letter revalidates the determinations for properties and/or structures in the referenced community as described in the Letters of Map Change (LOMCs) previously issued by the Department of Homeland Security's Federal Emergency Management Agency (FEMA) on the dates listed on the enclosed table. As of August 17, 2007, these LOMCs will revise the effective National Flood Insurance Program (NFIP) map dated August 16, 2007 for the referenced community, and will remain in effect until superseded by a revision to the NFIP map panel on which the property is located. The FEMA case number, property identifier, NFIP map panel number, and current flood insurance zone for the revalidated LOMCs are listed on the enclosed table.
