ADDENDUM #1

RFQ – Lower Bayou Conway Drainage Improvements Engineering Services

Date: October 31, 2024

PURPOSE: Responses to written inquiries

- (1) Regarding the noted RFQ, can you confirm that subconsultant firms need only provide their prime firms with the completed APG-1001 form, and that no other documentation from the RFQ packet (e.g., Certification Statement, Transmittal Letter, etc.) is required from subconsultants?

RESPONSE: the Parish would prefer to see the Certification Statement, Transmittal Letter, etc.

- (2) Can a firm be a prime on one team while serving as a sub-consultant on another?

RESPONSE: the Parish suggests no.
